5. / Selenic Selenium Javadoc

The screenshot shows a Chrome extension dialog box titled "Recorded UI Actions for Parasoft Selenic". The dialog has a dark blue header with the Parasoft logo and a help icon. The main content area is white and contains several form fields:

- Test name:** A text input field containing "parabank\_parasoft\_com-2019-07-31-17-28-1".
- Description:** A large empty text area.
- Actions recorded:** A text input field containing the number "9".
- Associated requirement:** A dropdown menu currently set to "None".
- Requirement ID:** An empty text input field.
- Requirement URL:** An empty text input field.

At the bottom of the dialog, there are two buttons: "Discard Recording" (white with black text) and "Download Recording" (blue with white text). A footer at the very bottom of the dialog reads "Powered by Parasoft Continuous Testing Platform. Copyright © 1986-2019."
