Obtaining Live Online Support (Windows only)

The Parasoft support team is available online to answer your questions. This live support allows you to chat in real-time with the support team and perform desktop sharing if needed. To receive live online support, go to <https://www.parasoft.com/support/>. This live tech support feature currently supports only the Microsoft Windows operating system.

Creating a Support Case

You can file a support case directly at <https://parasoft.force.com/customerportal/CommunityNewCasePage>.
