

Parasoft Usage Data

The Parasoft Usage Data screen enables you to send anonymous usage data to Parasoft, which helps Parasoft developers understand usage patterns so that we can provide a more robust and useful experience.

Click on the **Parasoft Privacy Policy** link for additional information about how Parasoft uses the data we collect.

The screenshot shows the Parasoft Usage Data configuration interface. At the top left is the Parasoft logo. Below it is a navigation menu with the following items: Administration (highlighted with a gear icon), Component Types, Database Configuration, License Configuration, Email Configuration, Security Configuration, Usage Data (highlighted in blue), and User Accounts. To the right of the navigation menu are 'Save' and 'Cancel' buttons. The main content area is titled 'Parasoft Usage Data' and contains the following text: 'Please help us improve Parasoft products by sending us anonymous usage data experience.', 'We will not collect personally identifying information.', a link to 'Parasoft Privacy Policy', and a checked checkbox labeled 'Send anonymous usage data to Parasoft'.
