

Logging Into DTP

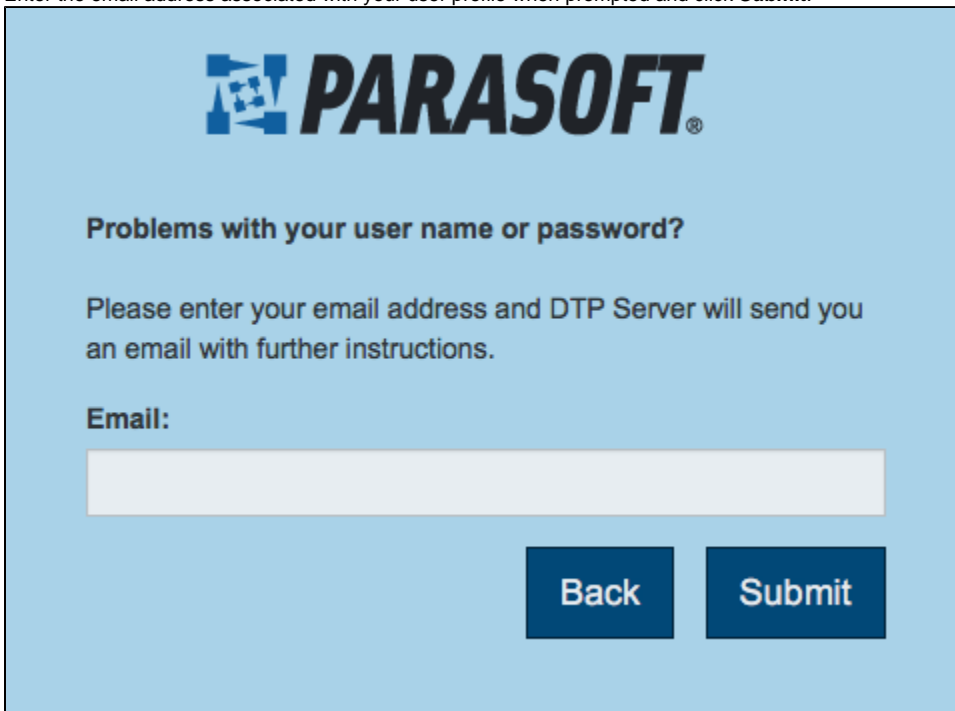

Open a Web browser and enter `http://hostname/` in the address bar to log into DTP (`http://hostname:8080/` for Linux installations).

The image shows the Parasoft login page. At the top is the Parasoft logo. Below it are two input fields: 'User Name' and 'Password'. There is a checkbox for 'Log me in automatically'. At the bottom left is a link 'Can't access your account?' and at the bottom right is a 'Log In' button.

Retrieving Your Password

1. Click the **Can't access your account link?** on the login page.
2. Enter the email address associated with your user profile when prompted and click **Submit**.

The image shows the Parasoft password retrieval page. At the top is the Parasoft logo. Below it is the heading 'Problems with your user name or password?'. The text says 'Please enter your email address and DTP Server will send you an email with further instructions.' There is an 'Email:' label followed by an input field. At the bottom are two buttons: 'Back' and 'Submit'.

An email will be sent to the address with instructions on how to access your account.
